The CAM met on during its regularly scheduled monthly meeting time, 0900 Saturday, March 17<sup>th</sup> at the Lyon home.

A lengthy discussion was had as to how the committee wishes to proceed considering new guidelines regarding common areas established at the annual HOA Meeting.

The CAM will continue to support the HOA Board, but only as an advisory committee. We will identify areas of concern within specified common areas and will provide the information to the HOA Board. The HOA Board can then decide if, and with whom, they wish to contract services to remedy these areas.

Anne Lyon will represent the CAM at the next HOA Board meeting.

Respectfully submitted by Anne Lyon
